You get wireless charging with both phones too. Each one is full of functionality and offers hardware and software that other phones can't match, which is why choosing the best smartphone for video boils down to these two. What else is new?Kathy: I signed up for text4baby.Doctor MAA©ndez: text4baby is an excellent service. Yeah, right. Not all medications are safe to take during pregnancy. Have you spoken to the doctor?Kathy: No. And you sound like my mother. She's right. CC0/Free-Photos/Pixabay The smartphone market is full of great phones, but not all phones are the same. Some phones make editing your videos easier and others have features unique to them. Camera Which one has the best camera? There is a lot of bezel on the iPhone which is a design point for Apple phones as they normally have the ID sensor as part of the bezel chin and the built-in stereo speaker at the top. I'll see you next month.Dr. MAA©ndez: Be careful.Kathy: Hello (Soft music is playing in the background as the screen moves to the next scene.) Scene 3: At Surprise Baby Shower (Kathy and Elizabeth enter Kathy's front door) Elizabeth: I'm so happy that everything went well with Dr. MAA©ndez and that you're okay.Kathy: YES Elizabeth: With the doctor, the texts and my help... you should have a lot of good advice before your baby is born.Kathy: Yeah. Anyone familiar with the iPhone will know that you can't add SD cards so 256GB is the limit, while LG memory can be expanded with a microSD card up to 2TB. She's still acting like my mother. Voiceover narration: This video was developed through a collaboration between` FDA Office` Women's Health and the National Healthy Mothers, Healthy Babies Coalition.ResourcesForYouVideo for Pregnant Women and Newborn BabiesPregnancyFree publications for women Has good advice on medicines for women keep you and your child safe. (Dr. MAA©ndez hands Kathy a one-page leaflet entitled "Medicine and PregnancyA". Kathy: I will read it tonight.Doctor MAA©ndez: And here's somethingmore. FROM LIFE123.COM For you and your child: FDA and Text4BabyScene 1: at cafA© (Kathy and Elizabeth are sitting at a table in a coffee that speaks and eats. As it is as it is The asthma? Winner and loser With fingerprint sensors, wireless charging, large screens and great cameras both phones are great for capturing and playing video. The iPhone comes with the Apple A11 Bionic chip with its neural engine that is much faster than anything Qualcomm currently produces. This is the best iPhone on the market right now. I feel like I can eat anything I see.Elizabeth: I was like that too. Thank you. Thank you. Both are important if you want to use them to capture those special moments. Although the V30 has a larger battery at 3300 mAh compared to 2675 mAh, every phone has the same battery life at almost 12 hours. In terms of storage space, both phones can be purchased with 64GB of memory, but you can go up to 256GB with the iPhone. Although the iPhone 8 Plus is a bigger phone, it's 5.5-inch display is smaller than the six-inch screen on the LG V30. But to get the most out of your iPhone, you'll have to spend almost \$1000 to buy the 256GB. Her baby's about to be born.Kathy: Yeah. The FDA also has a website on pregnancy exposure registers. All you have to do is write "baby" at 511 411. You should start to feel better every day. If you're a big Apple fan, buy the iPhone X. Hot date with your husband?Elizabeth: My husband.. Conversely, the LG has very little bezel, which is the current trend for phone designs. I'm already monitoring your asthma, so if we change your meds, I'll let you know. Thank you very much. Elizabeth: No problem. If you want an iPhone to rival the LG for screen size, buy the iPhone X which comes with a 5.8-inch display thanks to an almost edge-to-edge design of the screen. She always takes care of me.Doctor. MA©ndez: Take this FDA card. When you The prices of the LG V30 smartphones and the iPhone 8 Plus are not in the same league, but when you control the specifications, you will notice that these two phones are rivals for your money. They You are free text messages while you are pregnant and until your child's first birthday. Ikathy: Um, I got a message that I should talk to my doctor about medicines.Doctor MA A© Ndez: I'm glad you're sent that memo. You'll also find more free apps on the Play Store than the App Store, but all the best apps are available for both phones. (laughs) We will guide you? a surprise baby shower this afternoon.Doctor MA A© ndez: how nice. He walks through the room hugging and greets his friends and family.) Elizabeth: What in ... the worst A` behind you. They are studies that collect information from women like you who take prescription drugs for health problems such as asthma, hypertension and other conditions. (A foreground blow magnifies the FDA pregnancy log card Kathy is holding.) Kathy: Thank you. They ask for your child's expiry date and postcode. Ikathy: okay. They are free and you don't have to worry about ads from them. In terms of cameras, the front camera for iPhone A` is better at 7MP than the 5MP of V30 S, but both are equipped with double-lens rear cameras. Well, give me my best.Kathy: I Will.Doctor MA A© Ndez: Let me know if you have any other problems. it'll be square. My God! What? Chatter.Elizabeth: are you kidding me? But it is important to let me know before starting or discontinuing medications even medicines for headache medicine. Ikathy: Thank you. I was happy for the help when I had my first child. Ask how vaccines protect your newborn aY | "There's a lot, you need to learn before your baby is born.Kathy: Awareness: these texts are really available. It` easy. You're doing very well. You should sign up! I did it when I was six months old, but you can do it anytime. in moment. moment.
